

Data Sheet (DS) 7TM0220A

Issuing Date: 2022-10-25

Description	pS435/pS436-ETB (phospho-Endothelin Receptor B Antibody)
Format	Purified, Liquid
Product Type	Rabbit Polyclonal Antibody
Isotype	Polyclonal IgG
Quantity	100 µl

Product Details

Applications	This product has been reported to work in the following applications:	
		Dilution
	Western Blot	1:1000
	<p>This information is derived from testing within our laboratories and peer-reviewed publications. Please refer to references indicated for further information. For general protocol recommendations, please visit https://7tmantibodies.com/7tm-antibodies-support/7tm-protocols/</p> <p>Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.</p>	
Target Species	Human	
Product Form	Purified IgG, liquid	
Antiserum Preparation	Antiserum to Endothelin Receptor B was raised by repeated immunization of rabbits with highly purified antigen. Purified IgG was prepared from whole serum by affinity chromatography.	
Immunogen	A synthetic phosphopeptide derived from human ETB around the phosphorylation site of Ser435/Ser436.	
Storage Buffer	Dulbecco's PBS, pH 7.4, with 150 mM NaCl, 0.02% sodium azide	
Specificity	Serine435/Serine436 (S435/S436) is major phosphorylation site of the Endothelin Receptor B (ETB). The pS435/pS436-ETB antibody detects phosphorylation in response to agonists. S435/S436 phosphorylation is likely to be involved in efficient ligand sequestration by ETB.	
Guarantee	12 months from date of dispatch	
Storage	<p>Store at -20°C.</p> <p>This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody.</p>	
Regulatory	For research purposes only	

Health and Safety Information	Material Safety Data Sheet documentation is available at https://7tmantibodies.com/phosphosite-7tm-antibodies/endothelin-receptors/etb/353/ps435/ps436-etb-phospho-endothelin-receptor-b-antibody?c=804 in the downloads section as: Safety Data Sheet EU Safety Data Sheet US
